Right now, 350 families are needed to care for kids who can't live at home. If you've ever thought about becoming a kinship or foster carer, guardian or adoptive parent and opening your home and your heart to a child in need, join us online for an informal and informative event to learn more about the process.

Register your online attendance for this session on our website:

www.eventsforchange.org.au/InfoSession-Sep2021
